## AFTER SCHOOL TRAFFIC

### BACK PARKING LOT

The back parking lot will NOT be used as part of the playground during recess, lunch recess, or after school until after construction of the Parish Centre is completed. It will remain open for parishioners and parents to use during the day.

### IMPORTANT:

There is a concern for student safety during *morning drop-off* and *after school pick-up*, specifically in the back parking lot. The entrance and exit to this lot is the same:

### THERE IS NO OTHER EXIT

This is creating traffic congestion and safety concerns for students entering/exiting vehicles, and walking to and from the playground area, as well as the potential vehicle accidents.

Please note the following protocols:

### - FOR THE SAFETY OF OUR CHILDREN, AVOID parking in the back lot

- please ensure that you are parked in a stall before your children enter or exit your vehicle.
- if you are **NOT PARKED** adjacent to the playground area in the back parking lot, your child must cross at the yellow speed bump and walk on to and along the meridian that separates the two back parking lots and proceed cautiously to your vehicle.
- If you are parked in the front lot, your child must use the walkway adjacent to the preschool to walk to the front of the school.
- it is HIGHLY recommended that you exit your vehicle and walk to and from the playground area or front of the school with your children for DROP-OFF and PICK-UP

**PLEASE DO NOT ALLOW YOUR CHILDREN TO EXIT OR ENTER YOUR VEHICLE WHILE WAITING IN TRAFFIC.**

We are facing a challenging task in trying to keep our children safe. Your patience and understanding is greatly appreciated.
